

Research Committee

A Research Committee consisting Principal Dr. M. Abdul Rahim as Chairman and Dr. Francis Sunny as Convenor monitor the research activities of the faculty & students. The committee encourages and motivates teachers to take up research projects, participation in seminars/symposia/ workshops etc. The committee is also involved in synchronizing and facilitating research activities carried out by the members of the faculty and students by providing access to relevant information regarding, inter alia, funding agencies. Scrutiny and selection of applications for Ph.D programme [including FIP], scholarships and proposals for projects submitted by the members of the faculty & students are done by the committee. Being a Government College, the college does not provide any seed money or research grants to faculty. But the faculty is encouraged for their research participation by giving study leave and by providing the available infrastructural facilities in each department. 12 teachers currently under going research during X plan under FIP.

Student participation in research is encouraged in all departments through research projects that form part of the evaluation process both at the UG and PG level. For the PG program, research projects carry credit equivalent to a full course in the curriculum. The M. Phil students are motivated so that they can continue their Ph. D programme in the institution itself.
