

Department of Zoology - Research Centre

Dept. of Zoology is sponsored by DST, Govt. of India under FIST and KSCSTE, Govt. of Kerala under SARD. The Dept. has well equipped air-conditioned research laboratories to do research in molecular biology, biochemistry, histopathology, taxonomy etc. Two research scholars' viz. Smt. Binitha R N and Smt. Aruna Devi C won young scientist award and best poster presentation award in Kerala State Environmental Science congress and Kerala Science Congress.

NAAC Peer Team in Research Lab

Research Guides

Research Guide	Thrust area	No. of students Registered	No. of Ph. D Awarded
Dr. Francis Sunny	Environmental Endocrinology	6	1
Dr. Susha Dayanandan	Entomology	2	-
Dr. Evans	Vector Biology	2	-
Dr. Sugunan	Biotechnology	5	3
Dr. George Thomas	Aquatic Biology	1	-

Major Research Projects

Name of PI / Co- I	Research Grant	Funding Agency
Dr. Francis Sunny	Rs7.33 lakhs	UGC, New Delhi
Dr. Francis Sunny	Rs 20.65 lakhs	KSCSTE, Govt. of Kerala
Dr. Francis Sunny	Rs8.65 lakhs	UGC, New Delhi

Important Equipments

PCR Machine (Eppendorf, Germany)

Ultra low deepfreezer -86°C (NBS, USA)

Microtome (Leica, Germany)

UV-visible spectrophotometer (Perkin Elmer, USA)

Refrigerator Centrifuge (Eppendorf, Germany)

Binocular Research Microscope (Leica, Germany)

Thermomixer (Eppendorf, Germany)

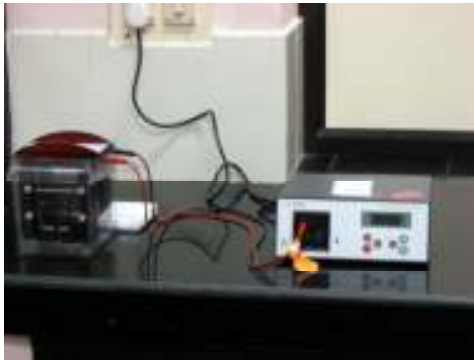

Blotting system (Amersham, USA)

Laminar flow (Labline, India)

Electronic balance (Shimadzu, Japan)

Deepfreezer -20°C (Labline, India)

Stereo Microscope (Labomed, USA)

Blotting system

Microtome

Refrigerated Centrifuge

Thermomixer
